INTRODUCTION

Thank you for joining us and many thousands of followers of Jesus around the world in praying for global Church Planting and Disciple Making movements using Disciple Keys.

Over this next year, we hope to take you on an inspiring and challenging worldwide journey of discovery as you are introduced to many people groups who have not yet heard the Gospel message. They represent billions of people.

The title, Disciple Keys, is inspired by Luke Chapter 10, where seventy-two disciples were sent out by Jesus on a mission, two by two. They were directed to find people of peace who would welcome them and open the doors to their homes to host them safely with their families. They were the first church-planters (AKA Disciple Makers)!

Disciple Keys incorporates fifty-two weekly themes with short prayer points, Bible verses and brief introductions to the neediest unengaged people groups. It is available online, in pdf/e-book, [paperback](#) and [hardback](#). If you are reading the pdf/e-book edition, this also includes clickable links to more information and online resources.

In Matthew 24:14, Jesus promised that the gospel message would be preached to all nations before He returns. We believe this begins with prayer! Besides praying for those who are not yet reached, we are also praying for workers who have been and will be called to the mission field.

This guide will also introduce you to keys for becoming a disciple maker!

We believe you will find Disciple Keys informative and challenging. Whether you are using this at home, in church, school, college or within a prayer group or mission organization, we pray you will be blessed and encouraged.

Disciple Keys was written by [24:14 Coalition](#) and [Finishing the Task](#), along with several other partner organizations to mobilize strategic prayer for Church Planting Movements.

24:14 celebrates our partnership with the Finishing the Task coalition - a movement of organizations and churches working together towards the goal of ensuring that everyone, everywhere has access to a Bible, Believer and Body of Christ.

With the 2000th anniversary of the Great Commission in sight, Finishing the Task is rallying churches and organizations to collaborate in new ways and work together towards broader cooperative goals of a Bible translation for all languages, a strategy to share the Good News with every person, and a church for every 1,000 people worldwide by AD 2033.

WHY USE THIS PRAYER GUIDE?

“

“Someone has said, ‘When we work, we work; when we pray, God works.’ Now work, O God, and glorify Yourself. Amen.”

- Mike Latsko, **Frontiers USA/Vision 5:9 Steering Team**

”

“

“Prayer changes history—this is true. The 52-week Disciple Keys is a lovely, fresh-looking resource through which organizations, agencies, churches, and families can engage with God across our world so that many more disciples follow Jesus. People groups representing billions yet to see a church planting movement still have little access to the Gospel. If praying big requests for huge people groups seems daunting, this resource guides you with keys to seeing church planting movements born paired with short bible texts weekly. For prayer that changes our world for eternity, this is an essential tool to keep and use with your Bible.”

- Jenny Oliphant, **Coordinator of 24:14 Prayer Task Force**

”

“

“It is exciting to see the converging streams of prayer and missions. Prayer is the first domino in reaching the unreached ... prayer leads to vision, vision leads to passion and passion leads to action. Use this guide to daily ask the Lord for the advance of His Kingdom among these most unreached of unreached people groups. The Lamb is worthy of worship from each of them.”

- Dan Scribner, **Joshua Project**

”

“This prayer guide provides information about some of the highest priority people groups to pray for and good insight about how to pray for movements to begin among them. I highly recommend it.”

- Curtis Sergeant, **24:14 co-facilitator**

”

“
+
“I draw much inspiration from what I have learned from the Moravians, who understood the importance of continuous prayer to under-gird the church’s mission. They prayed around the clock for more than a century and served, giving their all for the Gospel on the mission fields around the globe. My colleagues at International Prayer Connect are reporting an unprecedented wave of prayer being mobilised for mission initiatives across every continent that is producing encouraging fruit including the planting of millions of house churches in some of the most challenging and unreached regions of the world. I commend Disciple Keys to you and trust that your faith will increase as you unlock a deeper understanding of the power of prayer in these times!”

- **Dr. Jason Hubbard, Director
International Prayer Connect**

“
+
“What a simple, deep, powerful prayer guide! Imagine millions of us globally praying a key movement verse and principle weekly. Just imagine how God will deepen our prayers and launch movements in the UPGs prayed for weekly (and all the UPGs of the world).”

- **Dr. Kent Parks, Beyond, Ethne, 24:14**

“
+
“Information triggers Intercession, that’s the book of Nehemiah. Prayer is the foundation for the Local Church. I am absolutely sure that this spirit filled prayer guide will ignite the passion to reach the unreached in the nations of the world. History is going to change as you pray. PRAY – PRAYER WORKS.”

- **Minister R Onassis Jeevaraj, Window
International Network**

“The destiny of every people group lies in the hands of believers and it must be fought on bended knees as we join the ONE who holds the KEY of Life to unlock the hearts of every precious soul who has yet to hear the gospel! We pray - God ACT!”

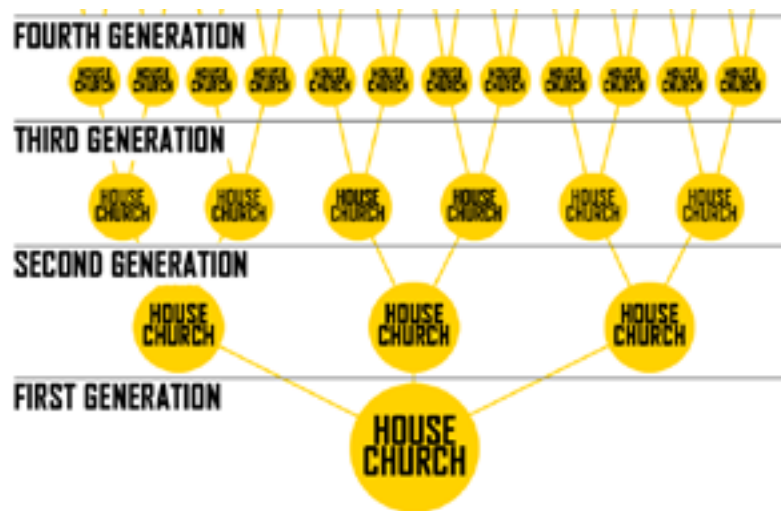

- **Lucrece Loo, Strategic Prayer co-
Facilitator, Malaysia. Ethne Prayer**

CHURCH PLANTING MOVEMENTS EXPLAINED

From the early church in the book of Acts, to the Moravians and the Methodists, to the Naga of India, history has been peppered with large movements of people coming to Christ. Amazingly, in the last 25 years we have seen the rapid emergence of hundreds of these movements worldwide, often in places most resistant to the gospel.

Church Planting Movements are defined as - 'a rapid multiplication of disciples making disciples, and churches reproducing churches, to four or more generations.'

Given the rapid increase of global population, the only way God's kingdom is currently able to grow faster than population increase is through church-planting movements (CPM's)

Part of God's biblical strategy for starting (catalyzing) such movements is through reaching households and groups as demonstrated in Luke 10 where Jesus sent the 72 disciples out to stay with families. (Note the use of the Greek word Oikos / 'family', 'house')

HOW TO USE DISCIPLE KEYS

This guide is designed to help you go deeper in effective, life changing, kingdom building prayer for people around the world with very little access to the Good News about Jesus.

EACH MONDAY

Reflect on the Bible verse for the week and the corresponding principle implemented in Church Planting Movements. Ask God to give you His perspective and guide your prayers. Lift up teams of people in cities, towns and villages who are actively sharing the Good News of Jesus. Pray for them to connect with those whose hearts are open. Pray for those who don't yet follow Jesus to ask questions and want to know more about being a follower of Jesus.

CARRY AND PRAY

Download Joshua Project prayer cards to print. Carry the card and pray for the group throughout the day. Share the card with someone else. Invite them to pray for the group, then pass the card on to someone else in similar fashion.

GOING DEEPER

Each people group in this guide was intentionally chosen. They represent large populations of people without enough witnesses for Christ currently living amongst them, for them to hear the Good News of Jesus. They are dear to God's heart, and some from each of these groups will one day stand shoulder-to-shoulder with us before the Lamb of God, as revealed in Revelation 7:9.

To learn more about each people group's lifestyles, where they live, what challenges they face, and what they are famous for, go to the [Joshua Project](#). You can look at the [map](#), do your own research and listen to music on YouTube from this people group. Perhaps [Prayer Cast](#) will have a prayer video you can watch, to hear from believers in that nation what life is like and where the needs are to be found.

DURING THE WEEK

Click on the "Learn More" button" in pdf and online versions of this guide to learn more about an unreached ethnic group of people in a particular place in the world. Imagine someone from that group going about their regular life and activities. Ask the question "God what do you see?"

Ask God to reveal to you His heart for these peoples. Pray for blind eyes to be opened, hearts hungry for acceptance and love to be healed, and ears that hear and respond to the Father's calling.

Pray that someone will come and share the truth of Jesus with them. Pray for media and technology to enable them to hear this Good News and respond. Pray hope and restoration over people who have been unaware of God's love for them. Ask Jesus to reveal Himself in dreams and visions, and then send someone to help them understand what they saw.

IN YOUR FAMILY

Pray together at a meal or another family prayer time for the topic and people group for that day.

SMALL GROUPS

Share each week's prayer focus with your group. Pray for the people groups together.

ZOOM

Share the electronic version of this prayer guide and pray together.

SUNDAYS

Share the electronic version and related videos during the Sunday morning service. Share the week's topics and people groups via regular church midweek communications, and in bulletin inserts.

NETWORK

Network with your church's mission outreach and those you know who are working among Unreached People Groups throughout the world. Invite them to spread the word. Ask them to send stories about work that is coordinated with this prayer emphasis to prayer@ethne.net. Pray for missionaries connected to your church.

SOCIAL MEDIA

Share the prayer guide daily or weekly through social media or text message – with your prayer partners, Sunday School, small groups, networks, friends and family.

ETNOPEDIA

Explore [Ethnopedia](https://ethnopedia.com). See updates on progress in translating people group profiles into 12 or more languages for the Body of Christ around the world. Help out by recruiting translators to help with this work. Spread the word about these resources to your missionaries overseas.

ASK FOR SUPERNATURAL PROVISION

"After Jesus and his disciples arrived in Capernaum, the collectors of the two-drachma temple tax came to Peter and asked, 'Doesn't your teacher pay the temple tax?' 'Yes, he does,' he replied. When Peter came into the house, Jesus was the first to speak. 'What do you think, Simon?' he asked. 'From whom do the kings of the earth collect duty and taxes—from their own children or from others?' 'From others,' Peter answered. 'Then the children are exempt,' Jesus said to him. 'But so that we may not cause offense, go to the lake and throw out your line. Take the first fish you catch; open its mouth and you will find a four-drachma coin. Take it and give it to them for my tax and yours.' " —**MATT 17:24-27**

MONDAY

HAVE FAITH AND PERSEVERE

Ask the Father to give disciples unshakable faith in Him, and in His promises, that will carry them through every difficulty and hardship.

"We want each of you to show this same diligence to the very end, so that what you hope for may be fully realized. We do not want you to become lazy, but to imitate those who through faith and patience inherit what has been promised."
